The Gathering 2009	3
Association Officers	1
Membership Application	13
Genealogy Chart	4

1. I can only please one person a day and today isn't your day. Tomorrow isn't looking too good either.
2. I don't have an attitude problem, you have a perception problem.
3. Everyone is normal until you get to know them.
4. Accept that some days you're the pigeon; some days you're the statue.
5. I love deadlines, I especially like the whooshing sound they make as they go flying by.
6. Tell me what you need and I'll tell you how to get along without it.
7. Needing someone is like needing a parachute. If he isn't there the first time you need him, chances are you won't be needing him again.
8. Last night I lay in bed looking up at the stars in the sky, and I thought to myself, where the hell is the ceiling?
9. My reality check bounced.
10. On the keyboard of life, always keep one finger on the escape key.
11. I don't suffer from stress, I'm a carrier.
12. Do not meddle with the affairs of dragons, because you are crunchy and taste good with ketchup.
13. Never argue with an Idiot. They drag you down to their level, and then beat you with experience.
14. A pat on the back is only a few centimeters away from a kick in the butt.
15. Don't be irreplaceable; if you can't be replaced, you can't be promoted.
16. After any raise, you will have less spending money at the end of the month.
17. The more crap you put up with, the more crap you're going to get.
18. You can go anywhere you want if you look serious and carry a clipboard.
19. Eat one live toad the first thing in the morning and nothing worse will happen to you for the rest of the day.
20. If there weren't a last minute, nothing would get done.
21. When you don't know what to do, walk fast and look worried.
22. Following the rules will not get the job done.
23. When confronted by a difficult problem, you can solve it by asking "How would the Lone Ranger handle this?"
24. Don't let yesterday take up today.

And remember, you're somebody important. God don't make no junk.
